

José G. Pérez
City of Milwaukee Common Council

June 8, 2023

President Pérez
(414) 286-8637

Statement from Common Council President José G. Pérez

With today's announcement of a compromise agreement from the Governor and Republican Leadership in the Legislature, we look forward to examining the final details of the legislation when they become available. As we have done throughout this process, the Milwaukee Common Council will continue to discuss the proposal with the community as we determine its impact on the future of the City of Milwaukee.
